HENLEY GIN  
HIGHLY SPIRITED SINCE  
1870

At last! February has arrived and we can say goodbye to that long and dreary January. It wasn't all bad though considering we had the fabulously successful 'Ginuary' Gin Trail taking place in Henley on Thames which we partnered with Brakspear Pubs on, and we also exhibited at The London Boat Show where Mr Hobbs Gin was being received by all the visitors tremendously well.

Be sure to keep an eye on our listings on the website over the next few weeks as there's a couple of new venues for you to enjoy some Mr Hobbs Gin in which are about to be added. The news of our cherished family tittle seems to have spread far and wide because you are about to see Henley's First Highly Spirited Gin being poured in Bars and Pubs from all the way up in Liverpool, down to the South Westerly region of Bristol. Not to mention the brilliant news that The Botanist chain have also put in their order to serve our gin across their 15 gorgeous restaurants!

Tickets for our ever popular Gin Tasting Cruises have now almost sold out but make sure you keep checking Hobbs of Henley: [www.hobbsofhenley.com](http://www.hobbsofhenley.com) because we are planning on adding more dates to cater for the fantastic demand we have received. There is also the Gin and Fizz cruises on throughout the Summer months which still have availability

This is a wonderful experience to enjoy in (hopefully) some sunshine, combining a river trip on one of the finest boats on the Upper Thames with stunning scenery and most importantly with your favourite drink in your hand! What more could you ask for?

We are very proud to announce we are lucky enough to have a couple of events coming up which involve us working alongside the prestigious Garsington Opera House. 1st March we are sponsoring an event which Garsington Opera House is putting on at The River & Rowing Museum which includes a live opera singer and some Mr Hobbs Gin, naturally. We are then going to be the one and only, resident gin at Garsington Opera House for their Summer performances between the dates 31st May and 22nd July (tickets go on sale 20th March [www.garsingtonopera.org](http://www.garsingtonopera.org)) - This is the very first time a gin has even been featured at the bar, so exciting!

A few events on the horizon have been added to the website which include Around the Boundary, 27th May @ Gallowstree Common [www.facebook.com/aroundtheboundary](http://www.facebook.com/aroundtheboundary) and The Great British Gin Festival,

19th May @ Reading Town Hall [www.ginfestivalsuk.com](http://www.ginfestivalsuk.com) These are constantly updated online so make sure you check in on [www.mrhobbsgin.com](http://www.mrhobbsgin.com) for the latest up to date schedule of where to catch Mr Hobbs over the upcoming months.

Look forward to updating you all again soon with more news from the Mr Hobbs Hub!
